IPIS LATEST REPORTS

From conflict resources to sustainable development: Memorandum by Fatal Transactions on the European Union's contribution to natural resource management in Africa

(July 2008 – Fatal Transactions - IPIS)

<http://www.ipisresearch.be/corporate-social-responsibility.php>

IPIS drafted this publication for Fatal Transactions. The Memorandum looks specifically at the European Commission's contribution to a sustainable exploitation of natural resources in Africa and a sustainable supply chain. It also assesses its approach on conflict resources. The paper provides an analysis of the Commission's trade policy, development cooperation, foreign and security policy, cooperation under bilateral and multilateral agreements, humanitarian aid and financial assistance. It also takes a look at the Commission's view on integrating and implementing external actions in its internal policies (e.g. energy and environment) in order to promote a sustainable management of natural resources abroad.
